Something To Think About

For years God has provided for the Hartford Pregnancy Center through such fund raisers as “the Baby Bottle Drive”, banquets and special contributions from churches and individuals. For this we are most grateful.

Several years ago we were asked to help the center by joining the leadership team. We could see that a substantial amount of energy used to run the center was being spent on “Fund raising” and making sure the bills were getting paid each month. In response to this the leadership team has felt led of the Lord to begin the “Heartbeat Club” with the option of online giving. We saw that if the center had a consistent donor base much more time and energy could be given to the actual ministry of helping people.

We’d like to encourage you to join the “Heartbeat Club” with us and each of the members of the leadership team. For years we have looked forward to doing the “Baby bottle” fund raiser in our church and we still do. But now we realize that the center, just like our household needs to have a steady income. Then when extra income comes we are able to do things above and beyond meeting our basic needs.

The leadership team is passionate about caring for the unborn and protecting the Sanctity of Human Life. We have dreams for the future of the center that we are excited about. We ask you to prayerfully join the “Heartbeat Club.”
